

Dear Guest,

The staff at Sea Star Cafe welcomes you to Star of the Sea resort. We hope you have a spectacular time, see you by the pool (where we are located).

Why not try our paella, by the pool or delivered to your unit, every Saturday night.

Apart from our amazing menu, we also cater for:

- Chefs table (chef Marco comes to your unit and cooks for you and your guests)
- Weddings
- Paella
- Buffet breakfast in your unit

Try our omelettes for breakfast and our fair dinkum burgers for lunch, cooked by our cordon bleu chef Marco.

Kind regards,

Bob the Boss
